Attendance

Springfield Primary Academy are working in partnership with parents to improve school attendance. We would like to congratulate the many parents who make sure their children attend school regularly and on time.

It is the Parents legal responsibility to ensure their children receive appropriate education. Failing to send your child to school regularly without good reason is a criminal offence. Absence disrupts the education of the individual pupil and the whole class. Children that do not attend regularly:

- Do not achieve well in exams
- Find it difficult to maintain friendships
- Are more likely to become involved in crime
- Miss out on opportunities in further education and the world of work

For full details on our attendance message to parents please visit our website, where you will also be able to access the following policies and documents:

- Behaviour policy
- Curriculum
- SEND policy
- Equalities policy
