Personal Development/Enrichment

At Springfield Primary Academy we want to:

Promote Holistic Development -

Enrich Through Curriculum -

Develop Talents and Interests -

Examples include:

Supporting the children using 'My Happy Mind.

Providing opportunities linked to these areas including:

- trips to the House of Parliament
- theatre groups visiting the school to do performances and workshops,
- assemblies by different organisations
- taking part in fundraising and charity events.

Enrichment Clubs

- We offer the children a range of lunchtime and afterschool enrichment opportunities. Each half term, year groups swap to ensure all children can access a range of opportunities.

- **Walk to School** - respect our neighbours, keep pupils safe

Reading

We teach children the different skills required for reading such as:

- Fluency
- Retrieval
- Inference
- Comprehension (Throughout)

This is a structured approach to teaching Reading and Writing which is designed to ensure every child can learn to read and write successfully. The program is designed so no child is left behind.

- Reading lessons are taught daily, beginning as soon as the children join Reception. This ensures children make a strong start in Reading from the outset.
- It is important that children practise their reading daily at home to support their fluency and comprehension.
- Children who cannot access reading at Year 3 level close the gap with RWI Phonic sessions in smaller groups outside of the classroom.

The logo is a circular emblem with a green border. Inside the circle, the text "SPRINGFIELD PRIMARY ACADEMY" is written in white, uppercase letters along the top and bottom edges. The central illustration depicts a school building with two brown roofs and a central entrance, set against a blue sky with a yellow sun. Below the building, four stylized children's faces with different skin tones and hair colors are shown smiling.

11b411:

Across our broad and diverse Trust there is huge diversity. Although this is very much welcomed, it also stimulates a range of life challenges for the young people we support. For example, some of our children will have very little chance to spend time in the countryside, others will never have the opportunity to experience different countries and cultures, similarly many will never consider engaging with the arts.

What can you do at home to support your child?

- ▶ Read together regularly
- ▶ Make learning part of everyday life
- ▶ Create a positive homework routine
- ▶ Talk about school and learning
- ▶ Use educational games and apps
- ▶ Stay in touch with teachers

Thank you
