Dear Parents,

This week children spent Wednesday morning in their year groups for September. Most of the children were able to spend this time with their new teacher, whilst others will have the opportunity to meet their teacher over the next two weeks. Attached to this newsletter is a table to show the classes that the children will be in for the next school year.

Children are continuing learning activities up until the 18th July. Please do not book holidays that leave before this date as they will be denied. To support you with this we are including the term dates for the next academic year in this newsletter. Family holidays need to be booked to coincide with school holidays.

Next week, the children will take part in sports day activities, please see the diary dates to know when your child will be participating. All children **MUST** have a suitable change of clothing including footwear in order to join in with the races and games. Children who do not have a PE kit/sportswear will not be permitted to take part.

Many thanks to the parents who attended today's coffee morning. It is very important to me that we value and welcome parent's contributions and opinions of our school. I look forward to continuing the half termly coffee mornings next year.

Ms Sasha Taylor
Head of School
