Dear Parents and Carers,

I am sure that you are all as thrilled as we are to see our children return to school on **Monday 8th March 2021**. There has been an air of excitement around the school as teachers have worked tirelessly to welcome children back to school.

Our children rose to the challenges faced by lockdown demonstrating resilience and commitment to their learning. They developed new skills to ensure that they were able to learn remotely and engaged with their daily tasks with positivity and enthusiasm. Well done and keep making us proud when you return to school.

Teaching has continued on site and online, with teachers becoming adept at managing the complexities of teaching children at home and in school at the same time. Well done to the Springfield team for their tenacity and flexibility.

This week the children have been having a fabulous time celebrating World Book Day and completing daily challenges. See the reverse of the letter to see examples of the wonderful work our children have produced.

We look forward to seeing you all on Monday.

With best wishes,

Mrs Dhani-Ali

Assistant Headteacher
