Dear Parents and Carers,

We are delighted to welcome all children back to school. Everyone is excited to be back, including the teachers. The playground is once again alive with the sounds of children laughing and chattering.

We are extremely proud of how resilient and positive our children have been throughout the unprecedented period of lockdown. From coping with school closure and the absence of dear friends to migrating into the world of remote learning, the children have, without exception, embraced every stage with an impressive attitude.

Great news! Our new school building project is on schedule! The building is really taking shape - windows are being fitted and the brickwork will start shortly. This new block should be finished by July or August so we can start moving furniture in over the holidays. We are so excited about some year groups being able to have their classrooms in the new block in September. Look out for more photos and updates in future newsletters.

To support Comic Relief next Friday, it will be non-uniform day. Please encourage children to wear red or dress as a superhero and donate on Parent Pay – link below.

See the reverse of the letter to see examples of the wonderful work taking place since the children have returned.

With best wishes,

Miss Kular
Assistant Headteacher
