Dear Parents and Carers,

Slowly, we appear to be moving back towards a sense of 'normality'. I hope that you all enjoyed the Easter break and had the opportunity to meet friends and family in open spaces and gardens.

We are excitedly waiting for the government to remove restrictions further and allow us more freedom, however, I must stress that we are still required to adhere to government guidelines to help prevent the spread of this deadly virus.

Covid-19 has affected many families in different ways. We will be starting a Springfield Food Bank for our families, which will allow members of the school community to support each other. Please see the information in the newsletter on the Ramadan Zakat/Sadaqah food collection challenge. Further details on foodbank donations will be sent very soon.

Our school attendance is improving daily, but still has room for further improvement. Birmingham Local Authority have restarted their compulsory, formal processes for families with poor levels of attendance. Please contact Miss Stringer if you require any help or assistance with your child's attendance.

Last week I was able to take a tour of our new building. We are currently on track for EYFS and years 5 and 6 to move into the new building in September have a look at the pictures in this newsletter.

Kindest Regards  
Ms Taylor  
Head of School

Families are being asked donate packet, tinned and other non-perishable food in the week beginning 10<sup>th</sup> May that will then be distributed to families of Springfield pupils through a school foodbank.
