Dear Parents and Carers,

Today was the final science session at King Edwards School for our group of Year 6 scientists. They have visited the independent secondary school for the last few weeks and taken part in science experiments, including analysing what owls eat from their pellets!

The children in Year 1 have enjoyed an interactive music workshop this afternoon, where they were able to watch and listen to a musical version of the story Giraffes

Christmas trees in the school halls are making the school feel very festive and we are looking forward to our Early Years production and school disco. Numbers of tickets available, have been reduced for the disco this year because of COVID.

You will have received a letter about COVID and additional precautions that are now being taken to keep the Springfield community safe. As a school you will notice staff are now wearing face masks on the playground again and we are asking parents and carers dropping and collecting children to also wear masks if they are able.

One of the greatest weapons we have in our fight against COVID is the vaccine and I would encourage you all to have your vaccine or discuss your concerns with a medical professional, who may be able to reassure you.

Kindest Regards
Ms S Taylor
Head of School
