Dear Parents and Carers,

Thank you to all the families, who have contributed to our fundraising day today in support of those who have suffered following the tragedies that have occurred recently in Turkey and Syria. Whilst these stories are no longer headline news, it is important for us to remember that data suggests 214,000 buildings have been destroyed affecting around 18 million people. The money we have raised will go to supporting these people to start rebuilding their lives.

Our girls' football team are going from strength to strength and I am proud to see the commitment and resilience of the girls to the team. We wish them luck in their tournament this evening and also to our boys, who will be playing next week Friday and are also improving through dedication and practice.

This week I was visited by children from our reception classes, who wanted to share with me stories they had made up. I was so impressed by the story language they were using and the lovely description they are starting to add to their stories. Well done to the staff and children in reception for all their hard work.

Springfield is looking for a parent governor and I will be available to speak to anyone interested in this role at our upcoming parents' evenings.

Ms S Taylor
Headteacher
