Dear Parents and Carers,

On Thursday this week, our attendance was 98%! Thank you to all parents supporting their children's education by ensuring they are at school daily and on time. Please remember that learning starts as soon as children enter the classroom at 8.45am.

Whilst our building project is in it's final stage, we are restricted to only having one hall. This means that children in year 6, year 1 and year 2 have a PE lesson that may be outside. Please ensure that your child is wearing their PE kit and also has their school jumper, to wear if it is a little bit cool outside.

This week the children in Year 1 visited Birmingham Conservation Centre, where they had a lovely time, where they were able to experience science and geography and see all the animals. The children returned to school excited and eager to share their experience.

You will have received your letters about our upcoming parents' evenings. Senior leaders will be available on the evening and happy to speak with parents during the evening.

Have a wonderful weekend and enjoy the uncharacteristic warm weather that we are expecting this weekend and next week.

Ms S Taylor
Headteacher

Online gaming for families and individuals

How to enjoy online gaming securely by following just a few tips

Protecting younger players

For those with younger family members to think about, online gaming can be a concern.

From cyberbullying, to excessive time spent playing games, to unscrupulous games which encourage children to pay for content. Here are some useful external links to sources of information:
